Micro Wedding & Elopement Guide

Thank you

FOR CONSIDERING ME AS YOUR BEAUTY VENDOR

Your wedding day isn't just about hair and makeup. After 17 years of doing this career, one thing is clear, beauty isn't vanity. It's an emotional connection to how we feel.

When you love how you look, you're a little lighter in your step. On such a special day, it's a feeling you'll remember and cherish for a lifetime. Not only is that feeling special, but the time spent with family and loved ones is even more special.

Let me take the stress out of your day so you can relax with your friends, drink champagne and enjoy being a bride. Schedule a complimentary phone call and let's design a look you love.

MY *philosophy*

LOOK TIMELESS, CLASSIC...LIKE YOU!

I have a very different approach to wedding day hair and makeup. I'm not your "cookie-cutter" artist where everyone looks the same. There is an entire process that celebrities use to look their best and it's for good reason. Why is your wedding day any different? This is your red carpet moment.

Here, I make sure you get the full red carpet treatment. I partner and collaborate with you to design a look you love, completely customized to YOUR taste.

My style is more celebrity red carpet than a social media trend. While we can do any look you like, we specialize in "you, but better" looks that are timeless and last a lifetime.

*Nothing Fancy,
Just Love*

MEET THE Artist

FROM NYC TO VIRGINIA

Hi there! I'm Yisell, owner of Yisell Santos - Hair & Makeup. Lover of all things Halloween, spooky, supernatural and all black everything. I never have the same color hair too long and while I mostly listen to metal, I still love Backstreet Boys.

Originally hailing from NYC, I've been doing what I love for 17 years. I started doing this professionally in 2005 while juggling a 9-5 full time job. In 2007, I got married, quit my job and started doing hair & makeup full time and never looked back.

I started my career in weddings, then moved on to doing editorial, catalog, fashion and even some film/commercial work. After 10 years of commercial work, my husband joined the military and we moved out of NYC. We started a family in 2013 and had an amazing son (who's super cool - seriously, he has purple hair)! I'm also mom to two fur babies, Nymeria & Scanlan. They are the sweetest dogs you'll ever meet and will greet you with all the tail wags and doggy licks you could handle.

I returned back to work a year after having my son and quickly realized that I missed doing bridal work. My heart belongs to bridal and special occasion hair & makeup. There's something so fulfilling about making people look and most importantly FEEL beautiful.

On my free time, I enjoy watching horror movies and True Crime documentaries, doing fun activities with my son and spending as much time as possible with my other half.

WE LOVE OUR BRIDES, OUR BRIDES LOVE THEIR LOOKS

Yisell did an amazing job for my wedding hair and makeup. She really focused on making me look like my best self, starting with great skin care, and I looked consistent in person with how I did in the photos, without looking overdone. She also is just super easy going and hilarious which was a treat on the morning of the big day.
